### Greetings

We would like to invite you to participate in this year's 17<sup>th</sup> Annual North Country Fiber Fair at the Codington County Extension Complex in Watertown, SD.

North Country Fiber Fair showcases everything from fiber animals to finished fiber products. We offer a wide variety of fiber events - workshops, demonstrations, fiber competitions, vendors, a llama show, Saturday evening meal, fashion show and much more. Attendees come from a 6 state region and also Canada.

We accept vendors at any time up to our Fiber Fair but returning the vendor form by May 31<sup>st</sup> will get your business listed in our booklet and save you \$25.00 - booth rates increase to \$75.00 after May 31<sup>st</sup>.

Our advertising deadline is also May 31<sup>st</sup>. Our booklet is an excellent opportunity to reach fiber consumers. All ads will also be posted on our web site.

If you have fiber animals you would like to display, offer for sale, etc. We have pens available for \$20.00 per pen. For more information contact our Barn Superintendent, Ken Forster at 701-724-3059.

We appreciate your involvement in the North Country Fiber Fair and we hope to see you this year. If you have any questions regarding NCFE please do not hesitate to contact us. Please contact Tracy Kellen at 320-265-6319 or [miniwhinnies@tnics.com](mailto:miniwhinnies@tnics.com).

Sincerely,

North Country Fiber Fair Board
